

"Person Cooler"

Technical Profile

Features

- ➔ Inlet and outlet finger guards fitted
- ➔ Three pin plug fitted to lead
- ➔ Lead safety tagged
- ➔ Motor reset button on outside of case
- ➔ Weatherproof isolator on outside of case
- ➔ Industrial hire market approval

Specification

Model: **PC056 – 4WH**
 Airflow: **3500 litres per second**
 Static Pressure: **Free Air**
 Noise Level dBA @ 3m: **58**

Motor

kws: **1.1**
 Amperage: **6.9**
 Voltage: **240**
 Speed: **1350 rpm**
 Protection Grade: **IP54**

Construction

Frame: **25mm x 25mm mild steel, hot dip galvanised after manufacture**
 Case: **3mm mild steel, hot dip galvanised after manufacture**
